Student of the Week

Kenna Kloostra is our special student of the week. She is the oldest in her family and has a younger brother and sister. Her favorite restaurant is McDonalds and her favorite foods are chicken nuggets and fries. When Kenna is older she would like to be a veterinarian and a singer. Kenna enjoys drawing, spending time with Averie, swimming, and playing with her dolls. Her favorite animal is a dog and her favorite subjects are religion and art. Way to go Kenna!
