

Mrs. Sullivan's 7/8 Friday Note

May 9, 2025

Dear Families,

Thank you for a wonderful Teacher Appreciation Week! It has been a true blessing to have your students in class!

Seventh graders will attend Mr. Lehman's woodshop on Monday and Tuesday. Lunch will be provided. Mr. Saladin will also be chaperoning. Because we will be working with machinery, there will be zero tolerance for behavioral and safety infractions. You will be called to pick up your student if rules cannot be followed.

8th Graders will be selling some kind of frozen treat at lunch for the next few Fridays for \$1 each. Proceeds will benefit our EIGHTH GRADE TRIP. I have some other fundraising ideas for next year, as well! The trip will be on Thursday, May 29.

Our eighth graders will graduate on Friday, May 30, 2025. Mass will be held at 10am, with lunch to follow.

ELA - Unit 14 Vocabulary test was today. Words for our last unit are on the back. Work will be due May 19, with a test on May 23. Students should be reading a novel to complete an independent book project. The second journal entry will be due Monday, May 12. We are completing work with prepositions in grammar. We are also continuing to diagram sentences and work on word roots and affixes.

Math - Students will be testing on Simple Solutions #61-64 on Friday.

Math 7 - We are beginning to simplify algebraic expressions and solve one step equations.

Math 8 - We are working with systems of equations.

Algebra - We will be working with quadratic equations.

Theology - Students are working on the last 25 Catholic Questions. Part 4 of the 100 questions will be due May 23. We continue our Chosen program materials. Students should be completing the foldable as we go through each lesson.

Peace,

Mrs. Sullivan
