

# Mrs. Sullivan's 7/8 Friday Note

February 28, 2025

Dear Families,

We have professional development on Friday, March 7, so students will have off of school that day.

Our raffle will be held the week before spring break, March 17-21. Get your quarters ready because there are a lot of amazing items up for grabs!

The Liturgy and Worship team has found readers, but needs altar servers for the last two Stations of the Cross at St. Charles April 4 and April 11, starting at 7:00pm. I would love to be able to let them know some of our students would be willing to assist. Please let me know if your student can help out. This will count toward service hours.

## EIGHTH GRADE:

- Freshman course selection for those attending Greenville High School is due on Monday.

## CONFIRMATION:

- Students will be attending the Anchor Conference on Saturday, March 15. Please return the orange media release paper next week.
- Father Jim will celebrate the Rite of Sending at the 11am Mass on Sunday, March 16. Attendance at this Mass is required.
- Confirmation is at the Cathedral on Sunday, March 23 at 3pm. Please plan to arrive at 2pm. There are several other parishes included on this date and seating will be limited for family members.
- Here is a sign-up for family members attending Confirmation to assist the Bishop in many different roles during Mass. Please consider volunteering.

ELA - Unit 11 vocabulary words are included. Vocab work will be due on 3/6 and the test will be on 3/10. We have been learning how to diagram sentences and continue learning roots and affixes. Students are reading and completing an independent project with some assignments using a book of their choice. Several students are already turning in late work.

Math - Usually we have a daily Simple Solutions Monday - Thursday from our book, with a quiz on Fridays. The daily Simple Solutions book work will be averaged for a weekly grade, so it is to the benefit of your student to be using their time wisely to complete the Simple Solutions of the day. The questions from the quiz are taken directly from the Simple Solutions book. Students should be asking for help on the ones they get wrong. Our next quiz will be on Simple Solutions 33-36.

Math 7 - We are adding and subtracting positive and negative decimals and fractions.

Math 8 - We are looking at angle relationships and will test next week.

Algebra - We are working with inequalities and will test next week.

Theology - Students are now completing Part 2 of 100 Catholic Questions (#26-50). This will be due 3/20. We continue our Chosen program materials. Students should be completing the foldable as we go through each lesson.

Peace,

Mrs. Sullivan
