

Seventh & Eighth Grade Weekly News

St. Charles Borromeo Catholic School

April 14, 2023

Happy Easter!

I pray each of you and your families had a wonderful Easter, celebrating the Resurrection of our Lord, Jesus Christ. This year, we were blessed with a beautiful, warm day!

We have been busy these past two weeks. We are reading a book and writing a fun, short paper about the plot or a character in the story. We are also working on an argument paper, taking a stand on an issue. The students have also been writing poetry, which we are each putting into our won book of poems.

In history, the students are learning about the differences in the North and South before the Civil War. In theology, we are reviewing the effects of Confirmation and what it means for us as a child of God. What is our mission? How do we evangelize?

Next week in science, we will be learning about the circulatory system. We are looking forward to our trip to Montcalm community College to see their virtual cadaver and to dissect, which is a mystery.

God's blessings for a wonderful break and and safe travels!

Blessings,
Mrs. Hamman

Always remember, you are a beautiful child of God.
