Solemnity of the Ascension of the Lord

God mounts his throne to the shouts of joy: a blare of trumpets for the Lord. Psalm 47:2

## Weekly News

- As we continue our celebration of the Easter Season, this weekend we will be hearing about Jesus Ascension. Although he is leaving his disciples, he tells us that they are not alone. God gives them and us an advocate, the Holy Spirit. He will help us follow the commandments and live a life in full communion with God.

-In religion this week we will learn about how the Holy Spirit dwells in us through the sacraments. We will ask the Holy Spirit to open our hearts to accept the grace that we receive in the sacraments. Our vocabulary for this unit will include: Sanctifying grace; State of grace; Actual grace; and Sacramental graces.

-MAPS Testing is complete! We will print reports and send home with the end of the year report cards.

-We are eagerly counting the days until summer. Each day draws us closer to a long needed break. The children have worked hard this year. Our school day count is 16 ½ days.

Teacher Appreciation-Thank you, thank you for the flowers, treats, gift cards, kind messages and so much more. The letters the children wrote touched my heart! They are very nice and I will treasure them. It is such a blessing to be a part of St. Charles School.

-Happy Mother's Day to all you wonderful mothers. Wishing you a very special day. I hope the children are extra sweet to you and helpful around the house this weekend.
