

May 27-June 3, 2023

Pentecost Sunday

Lord, send out your spirits and renew the face of the earth. Psalm 104:1

Weekly News

-In religion we discussed the liturgical time of the year. We are celebrating the Ascension of the Lord and Pentecost. The students have been imagining the life of the Apostles as they travelled with Jesus. What miracles they witnessed and now they will be continuing Jesus work after He returns to Heaven. WE too are called to share the Good News and spread the message through our words and deeds. Let us ask the Holy Spirit to help us.

--In social studies we have started our economic unit. The children are earning money for following procedures/routines. They are paying a fine for times they do not. The children are earning a wage for working hard each day but then must pay a portion of their wages to rent their desk. We are keeping a daily ledger to track withdrawals and deposits. At the end of our unit, the students will earn a grade based upon how much money they have in their account.

-Our last Music, Art, and PE class will be this week. We are so thankful for the wonderful teachers who come into our classroom and share their talents and time with us. The children are making a thank card for each one.

-Please check out the pink permission slip. The class and I would like to walk to Dairy Barn on Wednesday, June 7. This will be my end of the year treat to the children. We will enjoy a tasty treat together to celebrate almost being 5th graders. I am so proud of them!

++Reminder, no school, Monday due to Memorial Day. Enjoy the extra long weekend!

Important Dates

Monday-No School

Tuesday-Library-this is last library time. All books need to be returned.

Friday-Mass

Focus Areas for May 29-June 2

Religion-Prayers and Life of Jesus

Phonics-Syllables

Spelling/vocabulary-Novel Unit

Jesus said to them again, "Peace be with you. As the Father has sent me, so I send you."

And when he had said this, he breathed on them and said to them,

"Receive the Holy Spirit."

John 20:21-22
