4th Grade Newsletter

October 20-25, 2024

Twenty-ninth Sunday in Ordinary Time

Lord, let your mercy be on us, as we place our trust in you. Psalm 33:4

Weekly News

-Be sure to check out the students' artwork on Classdojo. The children drew a fall tree. We tied this into Falling into Good Habits. Each student picked a virtue and shared ways the virtue can assist us in developing good habits and building our character.

-The next unit in religion focuses on God revealing Himself to humanity. Our first chapter is titled There is One God. We will explore the Creed and the Blessed Trinity.

-Multiplication strategies continue in our next math chapter. The students will be presented with varying ways to solve two digit multiplication problems. They have a multiplication booklet with all the facts to help them solve. Our goal is to have the multiplication facts memorized by the end of the year. We will be starting the Mad Minutes (Timed Tests) this week. At the end of the allotted time, the students will draw a line and then complete the remaining problems for additional practice.

--Our science unit moves into animals. We will begin by learning about their digestive and circulatory systems.

-Halloween stories are in the final writing stages. Our goal is to have them finished and illustrated by the end of next week.

Then the students will present to the class. It is so exciting! We will be starting the research portion of the Saint Reports.

-Marking period for the first quarter will be ending on Friday, Oct. 25. All missing assignments must be turned in by this date.

-Trunk or Treat is Thursday, Oct. 24.. Hope to see you there to enjoy a fun filled evening.
