# Kindergarten News

April 19, 2025

Dear Parents,  
Happy Easter to all! I am praying that everyone had a blessed Holy Thursday and Good Friday and that you have a special Easter Sunday! The kids have been very excited, counting down the days, waiting for this holiest of days.

We are beginning to learn about place value in math. Students have done a great job of learning to count by tens, and working with ten frames. This has helped us greatly in learning about tens and ones! We continue to learn about needs and wants, as well as goods and services.

Have a wonderful Easter!
