# Kindergarten News

May 10, 2025

Dear Parents,

I hope everyone had a great week! The weather has been beautiful the last couple days, and it looks like that will continue into next week! I'm praying for a warm, sunny day for everyone to celebrate Mother's Day on Sunday!

Students have worked hard this week, and are preparing for first grade! We have been learning about nouns, verbs and adjectives, measurement with inches, praying the Rosary, making spring posters, and working on Mother's Day cards. We are learning about ways to take care of God's Earth, taking care of our plants, and doing a lot of reading! A big thank you to Mrs. Griffes, for reading to us on Wednesday, and for the squeaky frogs!

**Graduation** is only 4 weeks away! Our kindergarten and 8th grade students will celebrate their graduation on Friday, May 30 at the **10:00 Mass**. Kindergarten families will then proceed downstairs for a treat and pictures.

Students will be excused with parents at that time. Please plan on attending this special Mass! Grandparents and other special family members/friends are welcome, as well! Students will wear their uniforms on that day, and girls are asked to wear their jumpers. Please let me know if you have any questions.
