Kindergarten News

May 16, 2025

Dear Parents,

Tomorrow is May Crowning. Students are asked to bring a flower to add to the bouquets for Mary. We will be meeting in the church parking lot at 1:00. Parents are welcome, and students will be excused afterwards if a parent is attending. Otherwise, you may pick your child up at the regular 2:10 dismissal time. Thank you!

MAY CROWNING

I cannot believe that we only have a few weeks of school left! The kids have been working so hard and continue to learn new things. We have enjoyed a few extra recess breaks with the nice weather, as well. Our caterpillars have grown quickly, and they are making their way to the top of the cup in preparation for the chrysalis stage. Our marigold plants are doing well, and we will bring those home next week. We have been learning about the past, present and future, nouns, verbs and adjectives, practicing sight words, practicing addition/subtraction facts and reviewing correct formation of letters and numbers.

Graduation is only 2 weeks away! Our kindergarten and 8th grade students will celebrate their graduation on Friday, May 30 at the **10:00 Mass**. Kindergarten families will then proceed downstairs for a treat and pictures. Students will be excused with parents at that time. Please plan on attending this special Mass! Grandparents and other special family members/friends are welcome, as well. Students will wear their uniforms on that day, and girls are asked to wear their jumpers. Please let me know if you have any questions.

Please mark your calendar.....

Friday, May 23- Half Day (11:00 pick-up)

Monday, May 26- Memorial Day-no school

Wednesday, June 4- Fun Day at St. Mary's (more info to come)

Thursday, June 5- Half Day (dismiss at 11:00)

Friday, June 6- Last Day of School/Half Day (We will have an awards assembly in the gym following the 8:00 Mass. Students will then be excused with parents.)

Your kids have worked very hard this year and have shown amazing progress! Students brought home a lot of papers in their folders/envelopes today. We have been cleaning out desks and folders, trying to find/catch up on missing and incomplete assignments. Over the next couple weeks I will be sending home any workbooks from class that have not been finished. There are some extra pages that we may not have used due to time restraints, curriculum, or difficulty level. Feel free to use these for extra practice this summer. Thank you!

We did not have our spelling test this week, and will continue to practice the "question" words for next week.
Have a wonderful weekend!

Ms. DeWitt
