Kindergarten News

May 2, 2025

Dear Parents,

Happy May! We have a very busy month ahead of us, and I know this time will fly by quickly!

We have a half day on Friday, May 23, and no school on Monday, May 26, due to Memorial Day. Please plan on picking your child up at 11:00 on that Friday. Thank you!

Graduation is only 4 weeks away! Our kindergarten and 8th grade students will celebrate their graduation on Friday, May 30 at the **10:00** Mass. Kindergarten families will then proceed downstairs for a treat and pictures.

Students will be excused with parents at that time. Please plan on attending this special Mass! Grandparents and other special family members/friends are welcome, as well! Students will wear their uniforms on that day, and girls are asked to wear their jumpers. Please let me know if you have any questions.

Please mark your calendar.....

Wednesday, June 4- Fun Day at St. Mary's (more info to come)

Thursday, June 5- Half Day (dismiss at 11:00)

Friday, June 6- Last Day of School/Half Day (We will have an awards assembly in the gym, following the 8:00 Mass. Students will then be excused with parents.)

Students now have the option of wearing their shorts/skorts with their uniform shirt. Shorts/skorts must be solid khaki, black or gray, unless it is a uniform plaid skort.

Shorts need to be no shorter than 2" above the knee. I know this is hard when our kiddos are so small, but please just make sure they are not "short" shorts. Thank you! Socks will still need to be solid white, gray or black. Knee socks must still be worn with jumpers, but shorter socks can be worn with shorts. Please let me know if you have any questions. Thank you!

Our marigolds and bean plants are growing like crazy! We are learning about parts of plants and their functions. We have been learning about ways to be helpful in the

classroom, different ways/places to pray, and are working on beautiful drawings of Mary. We continue to learn about tens and ones, but are also learning about measurement. We are still discussing wants/needs and goods/services, and the kids are doing a great job with these concepts! We are reading EVERYTHING, and improving our writing skills, daily.

I do want to make you aware that Mrs. Norton (our preschool aide) will be filling in for me next Friday. My daughter, a former St. Charles student, will be graduating from Ferris with a degree in pharmacy. It has been a long 7 years for her, and I am so proud of her! Thank you for your understanding!

Have a wonderful weekend!

Ms. DeWitt
