Kindergarten News

October 4, 2024

Dear Parents,

I hope everyone has been enjoying this beautiful weather! A big thank you to all of our field trip helpers on Tuesday! We had a great day, and I could not have done it without you! Another big thank you to all of the parents I met with this week for conferences. I appreciate you taking the time to meet with me to discuss your amazing children!

Thank you for doing such a great job with the uniform change! Just a reminder that the boys can wear black or gray pants only, not khaki, and that nail polish is not allowed. Please let me know if you have any questions. Thank you!

We will be praying the Rosary throughout the month of October. Your child is welcome to bring a rosary from home, but I will also have one at school for each of the kids.

Thank you to Taylor and her family for taking such good care of Pepper Rose this past week. Pepper got to jump in a huge pile of leaves and go in a bounce house!

A big thank you to Grandpa Bozung (Aria's grandpa) for donating pumpkins to our classroom for each of the kids! We are very excited to carve a pumpkin and get our hands all gooey!

Please join us for "Doughnuts with Dad" next Wednesday. All dads/grandpas are welcome! We will meet downstairs, in the gym, between 7:00 and 7:25. You are welcome to join us for our morning prayers immediately following. We will be praying a decade of the Rosary in church.

For many years, our classrooms have "adopted" a special parishioner from St. Charles to pray for, and make cards for, throughout the year. These may be people who are elderly, enduring a long illness/hardship, or simply someone who would really appreciate receiving cards from our students. Our class has adopted Mrs. Miller. The kids colored some pictures and prayed for Mrs. Miller this week, and we will be mailing those next week.

The kindergarteners have finished MAPS testing this week. The tests are done on the computers 3 times a year. Thank you to the 5th and 6th graders for helping get the kids get started with the testing! After a little practice the students were able to log on to their reading test with little to no help! Scores will be sent out in the upcoming weeks.

Along with being the month of the Rosary, October is also Fire Safety Month. We will be discussing fire prevention in the next few weeks, and are in the planning stages of a walking field trip to the fire department. I will keep you updated as I find out more information. I'm sure Pepper Rose will be very excited to sit in a fire truck!

We are counting down the days until Leona's birthday! She can't wait for October 15! Looking ahead, please remember that there is no school on Friday, October 18, and our trunk-or-treat celebration will be on Thursday, October 24, in the church/school parking lot.

We are celebrating the feast of St. Francis today. Thank you to all our St. Charles families for bringing their pets to be blessed!

As always, please contact me with any questions/concerns you may have!
Have a wonderful fall weekend!=-

Ms. Tammy DeWitt
