*Daylight Saving time begins on 11-3 -
Fall back an hour!

Student of the Week

Winnie Gibbs is our special student of the week. She has two sisters and one brother. Her favorite restaurant is Taco Bell and her favorite food is Fairy Noodles. When Winnie is older she would like to be a 7th and 8th grade teacher and a taxi cab driver. She likes cuddling with her cat named Keeko and going on walks with her family around Baldwin Lake. Winnie also enjoys gymnastics, swimming, going on boat rides, and BIG water slides! Her favorite subjects are math and gym. Way to go Winnie! We are so proud of you!

Report Card Information

I wanted to explain our first grade report card. Many of the standards that will be graded, we have only learned part of that standard at this point in the year. Students can't be proficient until they have learned and assessed the "entire" standard. When you look at your child's report card, you will see developing in many areas. The students are doing a great job, but we have not completed the entire standard in the first marking period. This is our grading scale:

PROFICIENT (PR) - Demonstrates complete understanding of the task every time and without assistance.

DEVELOPING (DV) - Student has just been introduced to the concept or he/she is able to complete the task most of the time, but may need assistance or may not be completely accurate.

NOT YET (NY) - Student is not able to complete the task yet.
