### Student of the Week!

Annalise Rewa is our special student of the week. She has an older sister in 2nd grade, a brother in preschool, and younger sister, who is a toddler. Annalise is very artistic. She enjoys spending time with her family, playing games, drawing, cutting wood with dad, and riding her bike. When she is older, she would like to be a chef and live on a ranch with many horses. Her favorite food is macaroni and cheese and her favorite restaurant is McDonald's. Annalise enjoys school and her favorite subjects are reading and art. Her favorite colors are pink, red and blue. Way to go Annalise! We are so proud of you!
