 11/1 - October Book-it Calendar due. I will put the November calendar in your child's homework folder!

Student of the Week

Kendall Huyser is our special student of the week. She is the youngest in her family and has an older brother and sister. Kendall enjoys making crafts with her family, playing with her dog named Maverick, going to the beach, and watching movies! When she is older, she would like to be a veterinarian and she would like to learn how to go across the monkey bars. Kendall's favorite foods are breadsticks and butter noodles. Her favorite restaurant is Olive Garden. Her favorite color is teal and her favorite subjects are math and art. Way to go Kendall! We are so proud of you!

What We're Learning This Week

Reading	Math	Theology	Social Studies
* Read and wrote words with le and ng. *Focused on rhyming words, and syllables *Discussed stories that are fiction and nonfiction *Fact and opinion *Focused on informational writing. We began writing about the saints.	*Focused on adding to subtract. Focused on related facts. *Focused on counting coins and counting by 5s.	*Students made a Fall Joke Book for our special shut-in. Students will make cards and crafts for him throughout the year. *Focused on how Jesus told his followers that he loved and cared for them. *Discussed how Jesus died and rose for us. *Read about Saint Dismas *Learned about a saint and wrote an informational paragraph.	* Discussed ways the physical environment affects people's lives. *Discussed evergreen and deciduous trees and focused on broad leaves and needles. * Discussed the seasons and how a tree changes.
