

The Weekly Warrior

St. Charles School is a Catholic community of *faith, academics* and *service* for all.

Dear school families,

Thank you to the helpers who assisted with the preparations for the new preschool play area. Our preschoolers will love their new play place when everything is installed and inspected.

In our readings this sixth Sunday of Easter, we hear Jesus offer us the gift of eternal life, life that is assured because it is given not by one human to another but by the source of all life, God the Creator, to all who accept it. The assurance of this gift is to be found in the very person of Jesus, whose life is shared with us. In exchange for this extraordinary gift, the Lord asks of us only one thing: "Love one another as I have loved you." (taken from *Living With Christ*, May 2023, p. 111)

Thank you so much to the Parent Teacher Organization for the wonderful treats this week as Teacher Appreciation Week was celebrated. The group surely outdid themselves, and the staff and teachers are VERY grateful. We are blessed to have the support and cooperation of our PTO to make St. Charles School a great school for children, as well as teachers.

We are so excited about the St. Charles School Variety Show next Friday evening beginning at 6:30. Many children are involved, and we are thankful for their participation. You will want to come and see the amazing talents of our students, whether your children are involved or not. Thank you to Vickie Lyon, Katey Johnson, and Tammy Hollishead for making this happen.

We are still searching for a seventh and eighth grade teacher. Please understand that this takes time, and often I have had to hire teachers in the summer. However, we can all pray for the right person to apply.

Happy Mother's Day to all moms!

"To be a mother is a great treasure. Mothers, in their unconditional and sacrificial love for their children, are the antidote to individualism; they are the greatest enemies against war."

Preschool News

We have been talking about community helpers in the preschool classroom this week! We took a walking field trip across the street to the Greenville Department of Public Safety. Thank you to Officer Aniszko for the tour and to Mrs. Sue for the bag full of goodies. We learned a lot about fire safety. We saw the new state-of-the-art battery powered fire engine the firefighters drive and the important firefighting gear they wear, too.
