Our programs provide:

- **A Christian environment** that promotes a strong moral and caring atmosphere that believes in the value of all children.
- **A strong curriculum** that contributes to the spiritual, educational, physical and social development of each child.
- **Small class sizes** that provide more instruction time for each child.
- **An experienced, professional staff** trained to meet the needs of each child and communicate progress on achievement.
- **Learning centers and motivational activities** that help build an important foundation in reading, math, science and other academic areas.
- **Affordable education** in a faith-based atmosphere.
