Dear Parents,
I hope everyone had a great week, despite the rainy, gray weather. We have been working hard in our classroom in preparation for 1st grade!

This week we worked with tens and ones and practiced making a given number. We are learning the 10+1 through 10+10 addition facts and how to quickly show those facts using ten frames. Students are doing a fantastic job on math facts and improving daily with their timed drills! Thank you for your help at home! This will be a great skill to have next year and beyond! We are learning about Jesus' parables, The Apostles' Creed, and are praying the rosary each morning at hall prayer. Students have been doing a great job of independently writing names in their prayer journals.

Our monthly
Charity Jean Day
is scheduled for
Monday, May 13.

Students may wear shorts,
but they must be no shorter
than 2" above the knee.

Thank you!

End-of-Year
Field Trip!

Information for our
trip to the zoo is in
your child's envelope
today. Please sign
permission slip and
return next week.
