Wow! What an amazing, fun filled Centennial Celebration weekend followed by a fantastic Teacher Appreciation Week at school. It just doesn't get much better than that. There is no way to thank all of you who worked so hard to make last weekend and this week a success. I am always amazed at what we can accomplish when we all dig in and work together. The great things happening here at St. Charles would not be possible without the unwavering support of our school families. I am so blessed to be a part of this faith and education community.

Thank you all for making me feel so valued this week. I am humbled by the outpouring of supportive notes, cards and gifts I have received. I am honored to work with these children every day. This particular group will always hold a special place in my heart because they are my first class here at St. Charles. I thank God every day that I have been given the opportunity to be a part of their educational journey and their lives. Thank you for sharing these phenomenal young people with St. Charles.

Have a beautiful weekend taking some extra time to celebrate all the wonderful Moms in your lives.

Blessings-

-Mrs. "G"
