Budget Balance per Treasurer

Old Business Review:

- Teacher Welcome back to school gifts distributed, per budget
- Rubber Playground Mats in place in lieu of bi-annual wood chips. Thank you to Becky/Margaret/Ruth for coordinating this
- Back to School Night successful, changes/suggestions for next year? Sign-ups for Volunteers WILL be in place next year, sign-up genius not working as well as hoped. Pres to coordinate list of needed opportunities in near future and send out with suggested # of sign-ups per family
- New families mentor's put in place this year (Teegardin 7th/Peacock and Rumney K/Castro
- Teachers were notified budget will allow \$3 per student toward a field trip this year, teachers will be thinking about destinations
- Candy bar sale underway, all bars distributed, waiting on money return. After paying for bars, have profited approx. \$800 so far, at least \$1400 due yet, and some random donations coming in Ex. Paul Arlt's co-workers, TY sent by Arlt children
- Room parent sign-up completed, and notification to all teachers done, as well as parent phone numbers have been sent to room parents.
- Fall Dinner Dance, Amber Landis is chairing this. Menu has been chosen, no caterer this year, a beautifully organized plan is in place this year. Amber will be in need of volunteers on 10/25 for cooking and decorating, and 10/26 for prep, set-up, and serving. Sign-up genius will go out, but you may also see her tonight to volunteer additional help with this fantastic plan
