

The Weekly Warrior

Check out the news and events happening at St. Charles School!

Dear school families,

Thank you for attending parent teacher conferences this week. We look forward to seeing the remaining families on Wednesday, October 2. If you were unable to attend your scheduled conference this week, please call the school office. This is a wonderful opportunity for you to ask some important questions:

- Is my child performing at a proficient level in basic skills? If not, is my child above or below?
- What are my child's strengths and weaknesses?
- Does my child need extra help in any area? How can we work together to help my child?
- Is my child completing all of the assigned work?
- Does my child seem to like school and get along with classmates?

Conferences are 15 minutes in length. If you feel that you need more time, please let your child's teacher know.

This Sunday, at Mass, we hear Jesus address the Pharisees in a parable, teaching them that their attitudes toward others will have a long impact. This parable of the wealthy man and the poor man is very familiar to us. Let us ask God to remind us that he sees and knows everything and everyone, the rich and the poor, the strong and the weak. Help us to let God strengthen us so we can bring His peace and love to places where division exists. (taken from *Catechist*, September 2019, p. 43-44)

We have a very active Parent Teacher Organization, and we want you to be a part of it. Come and join this outstanding team to offer your ideas on Tuesday, October 1 at 6:00 p.m. in McKinney Hall. We need and want everyone to feel welcome! See you there. There is always a free jean day for your child if you attend the meeting.

The MAPS testing program for grades 2 - 8 will end next Friday. Results will be sent home the following week. Please call if you have questions.

Make sure your calendar is marked for Wednesday, October 9 for our *Protect Young Eyes Program*. This parent program is open to all parents of the parish and your friends, so be sure to invite others. If you are concerned at all about social media and more, you won't want to miss this outstanding presentation. The session will be held in McKinney Hall at 6:00 on Wednesday, October 9. This event is sponsored by the Parent Teacher Organization and a generous donor.

Have a blessed weekend!
