Old Business Review:

- Culvers Fundraiser was a huge success – Fun & \$427. Thank you to Sarah Castro
- Harvest Dinner Dance was a huge success – Fun and over \$700 – Thank you to Amber Landis for chairing and all those who volunteered.
- PTO gave welcome card and the \$50 gift card to help supply the classroom to Sarah Sullivan, was a quick decision by board members present that day
- In addition to the PTO reimbursement form, there is a 'Parish Approval for funds' form per Sherrie, please see and make a copy for your use.
- Are we all using the tax exempt form with purchases? See Ruth if you need

New Business:

1. Thanksgiving Luncheon. Margaret and Vickie to meet with Steve and LouAnn on Wednesday. Volunteers in place to decorate (Wed) and cut desserts (Thurs). Marg/Ruth send out announcements and collect \$? Margaret, what tablecloths are used? Who coordinates the servers from the parish? Jennifer thought Paula, Paula says No. If we get firm number by Monday, who will tell Pat to set up on Wed morning for my Wed afternoon decorators.
2. Ice Cream Social. Jess coordinating ice cream portion, needs a few volunteers. Vickie has two crafts for that night, do we want a movie playing? Jess would like Margaret ask Father to announce and do bulletin if possible
3. Indira would like to schedule Dalis to do an assembly on animal rescue/spay/neuter, also reading the book "Dalis to the Rescue". Schedule date if Margaret approved.

4. Parent Volunteer List has been sent out again since last meeting. Vickie and Jess have personally contacted all families that did not respond. We have received many new families into the volunteer fold!
5. Daily Deals, give floor to Sarah
6. Ornaments from last years Centennial that were neglected to be sold: Margaret and Ruth have a fabulous idea for families to receive these as a gift this year after Tgiving. This is a thank you to our families for all that the vast majority of them do. They are already paid for, and I would like to support this idea. Are there other opinions? Vickie to write a letter from PTO, thanking families, to include with the ornaments. Ideas for remainder of ornaments?
7. Christmas Market, there is very little SC wear/water bottles to sell at Market, see the box. Do we think its worth a table all day?
8. Book Fair needs Margaret to appeal one more time to fill in empty volunteer slots on sign up genius please.
9. Any other new business:
