

St. Charles Borromeo Catholic School
3rd & 4th Grade Newsletter

January 10, 2020

Happy New Year!

I pray everyone had a wonderful Christmas vacation! We have had a great week of learning and sharing. Please make sure your child has the appropriate winter wear for recess. Conferences will be coming and the dates for reciting the prayers will be in next week's newsletter.

We would like to welcome Mrs. DeVries, our student teacher, into our classroom. We are excited to have her with us. She will be working and learning with us for the next three months.

Have a great week and know you are a beautiful child of God.

Blessings, Mrs. Hamman

Academic Learning

Reading ~ reading their individual chapter books, dividing words into syllables, talking about our reading, reviewing phonic sounds, learning the 6 Notice & Note signposts reading strategies

Writing ~ beginning opinion papers, writing elf stories, weekly paragraph writing, proofreading sentences, and grammar

Math ~ estimating, numeral words, expanded notation, place value, rounding, adding and subtracting with carrying and borrowing, skip counting, multiplying with one digit and two digits, math games with the facts

Religion ~ the kingdom of God

Science ~ learning about plants, planted an amaryllis and estimated how tall it would grow, grew crystals on pieces of bricks

Michigan History ~ explorers, trading, and settlements

Did you know?

Every Friday, we are given 6 minutes to complete the multiplication chart with the numbers 0 through 12. We are learning our skip counting and our facts. We are improving each week and have a few who can complete it in 5 minutes!

Christian Serenade

Academic Attitude

~ Math Facts of
Multiplication & Addition
~ Reading 20 minutes a day :)

Servant Attitude

~ Make your bed
~ Take the trash out :)

Prayers to Recite

Continue to practice
the prayers on the purple sheet!

Faith ~ *Academics* ~ *Service*
