

## 5<sup>th</sup>/6<sup>th</sup> Grade Science

Earth's Surface- We are completing our chapter on Weathering and Soil. We will conduct an in-class review on Tuesday and the students will take their assessment on Wednesday, February 26<sup>th</sup>. Assessments will be returned on Thursday, February 27<sup>th</sup>. Students scoring 80% or less on the Assessment will be required to complete correctives. Any student is welcome to and encouraged to complete correctives to improve their score. Students who complete correctives will earn back half of the points they lost on their assessment. We will begin Chapter 3, Deposition and Erosion on Friday. This chapter will take about a week and a half to complete. Please feel free to contact me with questions or concerns. Have a great week.

Blessings-  
Mrs. Gilbertson
