

5th and 6th Grade Notes

February 7, 2020

What we've done this week...

- **ELA**

- We continue our book study of Charlotte Doyle.
- Students should have read through chapter 9 and completed the packet pages that correspond to chapters 7-9.

- **Social Studies**

- We will take a test on Mesopotamia on Monday. There is a Quizlet posted in the Google Classroom that contains all needed information.

- **Religion**

- Those that haven't tested on the Nicene Creed or Hail, Holy Queen should still be working towards that goal. Several have learned the Sorrowful Mysteries.
- We will be starting unit 4.

- **Math**

- 6th grade math will be testing on integers on Tuesday.
- 5th grade is working with division and fractions.

- **Other News**

- We are planning a trip with grade 7/8 to Green Acres in Greenville to share in Mass, make a small craft, and visit with residents on February 12.
- Although we have Mid-Winter Break on Valentine's Day, our class will have a small social Thursday, February 13, in the afternoon. If you wish to send cards or treats, please include all members of our class. A class list is attached.
- Please return the permission slip for our trip to Green Acres as soon as possible.

As always, contact me with any questions. I hope everyone stays safe and warm this weekend.
