- **Valentine Project with 5th/6th grade:**

Tuesday the 7th/8th grade students had the opportunity to work with the 5th/6th grade students to create individual Valentines for our Wednesday visit to Green Acres. Many of the final products were beautiful. The students did a fantastic job of taking their time and making products that would bring so much happiness to the Green Acres residents.

- **Green Acres Visit:**

The 5th/6th/7th/8th grade visit to Green Acres on Wednesday was a grand success. We held a student led prayer service and had time to visit and share our beautiful Valentines with residents. We shared our talents through song, telling of jokes, and playing of the piano. It was a fabulous impromptu talent show. A marvelous time was had by all. Check out Laura Amidon's photos and videos of the visit on Facebook. Thank you, Mrs. Amidon.

- **Cleaning the Church:**

The students worked quickly and efficiently to clean the church sanctuary today. These young people did a wonderful job working as a team to care for our place of worship. Great job, grades 7 and 8!
