

# The Weekly Warrior

Check out the news and events happening at St. Charles School!

Dear school families,

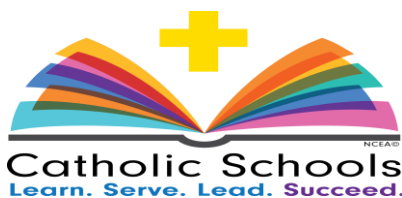

God has given us another beautiful week of learning at St. Charles. Our students are doing so well as we continue our school year. Thank you, parents, for being so helpful with the screening sheets and being sure that your children have masks. We are all in this together and will work hard to keep your children safe.

In our readings at Mass this weekend, we hear about belonging to God. To belong to God is to love. Jesus belongs to God. He is firm in his mission to serve the poor, the rejected, and the voiceless, even to the point of losing his life. There were followers of Jesus who sought to stop him because they were afraid of losing their lives. Fear is the opposite of love. Fear is exclusive. Belonging is inclusive. Jesus challenges us to belong to God by letting go of fear. Let us pray that our way of life is an imitation of God, who is love. (taken from *Living With Christ*, Aug. 2020, p. 196)

Important reminders for the upcoming week:

- All specials have now been scheduled. Your students should always have gym shoes on Mondays for physical education classes. The class will meet outside as much as possible. The P.E. teacher is Miss Moore from Greenville Public Schools.
- The music and technology teacher is Miss Brink from Belding Public Schools.
- Ms. Hooey will lead Spanish classes either by a Google Meet or direct teachers with assignments and tasks. Ms. Hooey comes to us from Grand Rapids Public Schools.
- Art class is led by Mrs. Brown, also a teacher from Greenville Public Schools.
- School will not be in session on Friday, September 4 or Monday, September 7 due to the Labor Day holiday.

All aspects of the school year seem to be going very well, even under the circumstances with COVID-19. If you have ANY questions or concerns at any time, please reach out to me. We look forward to a great year.

Education cannot be neutral. It is either positive or negative; either it enriches or it impoverishes; either it enables a person to grow or it lessens, even corrupts him. The mission of schools is to develop a sense of truth, of what is good and beautiful. And this occurs through a rich path made up of many ingredients. This is why there are so many subjects — because development is the results of different elements that act together and stimulate intelligence, knowledge, the emotions, the body, and so on.

If something is true, it is good and beautiful; if it is beautiful; it is good and true; if it is good, it is true and it is beautiful. And together, these elements enable us to grow and help us to love life, even when we are not well, even in the midst of many problems. True education enables us to love life and opens us to the fullness of life.

# ROOM PARENT NEEDED!

Although our social events will look different this year, PTO still wants to have fun days for students to look forward to. We are looking for a few parents in each classroom to help coordinate food/supplies for these occasions. This involves making a few phone calls to other parents to organize a special day a few times a year.

Please contact Vickie Lyon at (616) 835-6185 or [vickalynn36@hotmail.com](mailto:vickalynn36@hotmail.com)
