

# The Weekly Warrior

Check out the news and events happening at St. Charles School!

Dear school families,

As we hear the Sunday Gospel, we reflect on the following: It is considered an honor to be invited to a wedding feast. We are being asked to participate in an important event in another person's life, and to share their joy and their blessings. Presumably, they have a high regard for our friendship and our presence. To refuse, much less ignore, such an invitation is simply not very good manners. When the friendship that is being celebrated is between us and God, then the obligation to respond is more serious. The parable invites the question: What is more important than participating in the love and life of Jesus Christ? (taken from *Daily Prayer 2020*, Liturgy Training Publications, p. 316)

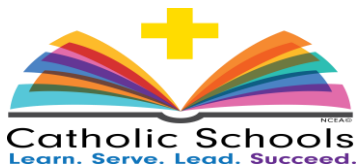

Important notes for the upcoming week:

- Greenville Public School has no school Monday. There will not be band or orchestra or bus service.
- Greenville Public School has a half day Wednesday. Again, there will not be band or orchestra or bus service.
- Steve and Louanne Dombrowski will provide a grilled cheese sandwich lunch on Wednesday with tomato soup and grapes. The lunch will be delivered to the classrooms. There is no cost for lunch. If your child is not a fan of grilled cheese sandwiches, please be sure to send lunch with your child.
- There will be Mass on Wednesday at 8:00 a.m. this coming week. Kindergartners and fifth through eighth graders will attend.
- School will NOT be in session on Thursday or Friday due to teacher professional development.
- Monday is Charity Day. Please donate diapers or baby wipes for Alpha Family Center.

The teachers have worked diligently with the children about the mask mandate, and the children are doing very well. We are so thankful that we can be in person with our school family, despite the following of strict guidelines. We certainly know that what we are required to do is working. Let us continue to pray that we can stay in school--as we know how much our students love being here, and we know how important it is to be school.

Please be sure that masks are being washed daily or that you have an ample supply of them, as they should not be worn more than once between washings.

May God bless you, and do enjoy the beautiful weekend ahead!
