Mrs. Kemp's 2nd Grade

September 20-24, 2021

OUR LEARNING

We've had another great week of learning in 2nd grade. We are continuing to focus on listening carefully so we can become independent workers. Another skill we are focused on is raising a hand, not shouting or blurting out.

In reading we will continue to read informational text in SUPER! magazine, and in writing we will write and mail a friendly letter. We will take a spelling test on Friday.

In religion we will begin learning about the Sacrament of Reconciliation. First Reconciliation will take place on December 1st at 10 a.m. More info coming soon!

OUR LEARNING *(con't)*

In math we will continue to work on addition and subtraction. Your student will have flashcards for the +2 facts. Please practice each night!

In science we will take our first test over physical properties of matter.

Homework

Your 2nd grader will have homework each weeknight. They will have a Backpack Page for spelling, in addition to practicing sight words and math facts for 10-15 minutes. Please make sure the Backpack page is returned each morning. Thank you!
