

# SEPTEMBER

## newsletter

**Mrs. Kemp's 2nd Grade**

September 27- October 1, 2021

### OUR LEARNING

How can next week already be October?!? This month has flown by. We continue to practice classroom skills, especially listening to and following directions with more than one step. It's challenging, but we're making progress each day.

In reading we will switch to fiction text and read chapter books in small groups. In writing we will begin working on a personal narrative.

In religion we will continue learning about the Sacrament of Reconciliation. First Reconciliation will take place on December 1st at 10 a.m. More info coming soon!

### OUR LEARNING *(con't)*

In math we will start a chapter on equal groups and odd & even numbers. Your student will have flashcards for the +3 facts. Please practice each night!

In science we will learn more about the properties of liquids and gases.

### Homework

Your 2nd grader will have homework each weeknight. They will have a Backpack Page for spelling, in addition to practicing sight words and math facts for 10-15 minutes. Please make sure the sight word book stays in your student's daily folder because we will use it at school.
