Welcome Fall!

Fall Conferences will be the next two weeks. I look forward to meeting with you and discussing your delightful children.

MAPS Test will be complete this week. These test are beneficial in calculating student growth through the year. It also provides insight into curriculum strengths and needs.

The Book It Program through Pizza Hut begins in October. The students will have a Book It reading log and can earn a free pizza.

Reading logs will be turned in at the end of the each month.
