Hello Dear Families-

I pray you all had a happy, healthy, and productive week. I know we did. The students are starting to settle into a groove. There is always something new to add to our day. This week we added gym and library to our schedule and the orchestra students headed to the Middle School for class.

As always, feel free to contact me if you have any questions or concerns. I wear a smartwatch which allows me to receive your texts at any time. This is the quickest way to reach me. My cell phone number is 616-885-2381. I will respond to you as soon as possible.

Blessings-

-Mrs. "G"

- **Planners:**

Every assignment the students are given during the day is to be annotated in their planner. If the student completes the assignment, they will check the assignment off. I will be initialing the planner each day prior to the students leaving. Students should be asking you to initial the planner each night. Most of the students have been doing a great job of collecting the appropriate initials. Please help your child remember to get your initials.

- **Sneak Peek:**
