Hello Dear Families-

It is the halfway point of the marking period, we spent some time taking stock of what assignments might have been missing, late, etc. I will be completing the grade audit process over the weekend. By Monday, we should all be on the same page. I asked the students NOT to bring their binders home this weekend so I could look through them and check that they were organized without taking up class time.

Here are some of the highlights from our week and what to look forward to next week.

Blessings-

-Mrs. "G"

-MAPS Testing:

I am excited to report we have completed the majority of the MAPS Testing for the 7th and 8th grade students. The students worked hard and showed remarkable focus. We have a few students to finish up a couple of sections due to absence, but we are in very good shape. On Monday, students will complete the final section of the test, Science. Way to go students!!!

-Reminder: Mass at 8:00 Wednesday Mornings-

Participating in the liturgy with our greater faith community first thing in the morning is such a blessing. Parents are welcome to attend Mass with us. It would be wonderful to share the experience with you. We hope to see you there.
