

Fifth & Sixth Grade Notes

(and 7/8 Grade Math Notes, too)

October 1, 2021

Dear Families,

Thank you for taking the time out of your busy afternoon to meet with me for conferences. I will catch up with the remaining families next week.

Fifth-grade orchestra begins next week and will meet on Mondays and Wednesdays. Remember, if Greenville Public is closed or has a half-day, there won't be orchestra that day.

Sixth-graders can attend the next Interact Club meeting on Tuesday morning at 7am in the library.

In social studies, we learned about different types of governments and economies.

We have finished reading our first class novel. Monday we will take a test on *Fever 1793*. We will be completing a final project next week. Vocabulary for the next few weeks will be prefixes, roots, and suffixes. Vocab, spelling, and AV words are found on the back. There will be a quiz on these words next Friday.

We will be testing over Unit 1 in theology on Tuesday. There will be plenty of review and time to study. We spent some time this week creating thank you cards for Mr. Merren for his years of service to our school and church. Fifth and sixth graders will attend altar server training on Tuesday at 1pm.

Math 5 is practicing estimating and dividing with two-digit divisors.

Math 6 completed the test for their second module. Review of fraction division is up next.

Math 7 began their module on percents.

Math 8 will be finishing up their second module on dilations next week.

Algebra will be testing on converting equations and graphing next week.

Peace,

Mrs. Sullivan

ACADEMIC FOCUS

Mrs. Gilbertson and Mrs. Sullivan will be staying after school on Wednesday, Oct 6, 2021 to help any grade 5/6 - 7/8 student with homework.

This time is to be spent asking questions, clarifying understanding, and working quietly and responsibly without disturbing others seeking assistance.

Parent pick-up will be at the upper lot doors by the playground at 3pm.
