

OCTOBER

4th Grade Newsletter

October 18-22

Twenty-ninth Week in Ordinary Time

*The field trip this week was a wonderful experience for the students. We learned some interesting facts about Greenville history and the logging industry. Be sure to ask your child to share something they learned with you. Check out Clasdojo for pictures and videos.

*There will be no spelling test this week due to the 4 day week. The students can enjoy an extra day off. They have been working hard.

*Picture Day is Tuesday Oct. 20!

*The next altar server practice will be on Monday, Oct. 25. We are working on learning the names of the articles in Mass to help us be more prepared to serve.
