

OCTOBER

newsletter

Mrs. Kemp's 2nd Grade

October 4-8, 2021

OUR LEARNING

It's hard to believe that October is here already! The weather has been fantastic, and recess has been delightful. We continue to work toward independence with our daily routines, and I'm seeing lots of progress. Careful listening continues to be our biggest challenge, so we'll continue working on that.

We will continue reading our first chapter books in book club, and in writing we will keep working on our personal narratives. Please practice sight words each night.

OUR LEARNING *(con't)*

In math we will study odd & even numbers, equal groups and arrays. Please continue to practice math facts each night. It will help a lot later in the year as we add bigger numbers.

In science we will wrap up studying the physical properties of solids, liquids & gases before moving on to social studies.

REMINDERS

October is here, and that means the dress code has changed. The complete dress code can be found on the school website (saintscjm.com/school). The main change is that boys must wear pants and girls must wear jumpers. Socks must be solid gray, black or white. Girls must wear knee socks, or they may wear leggings under their jumpers with short socks.
