

# OCTOBER

## newsletter

**Mrs. Kemp's 2nd Grade**

October 18-22, 2021

### OUR LEARNING

October continues to fly by in 2nd grade! Just a reminder that students don't have school on *Friday, October 22nd*. Teachers have a day of professional development.

Our class is making progress with not talking over me or each other, especially when directions are being given. Please continue to check in with your student about his or her success with this.

Cooler weather is here. Please make sure your student has a jacket or sweatshirt for recess. It's sometimes pretty chilly at 11:20 a.m. when we go out for recess.

### Math & Social Studies

In math we will start learning about place value. This will lead into adding and subtracting larger numbers later in the year. Please continue to practice math facts each night.

In social studies we will learn about the types of groups we belong to and then read about different kinds of communities.

### Religion & Reading

In reading we will continue to focus on informational text skills while using our SUPER! magazine. In writing we will write another opinion paragraph supported with reasons.

In religion we will focus on becoming great decision makers. First Reconciliation practice materials are in your student's folder. Please start practicing at home.
