

NOVEMBER

4th Grade Newsletter

November 8-12, 2021
Thirty-second Week in Ordinary Time
Praise the Lord, my soul
Psalm 146:1

*Report Cards will be available on Monday, Nov. 8. We discussed that if the children received all proficient at this time, then they would be ready for 5th grade and there wouldn't be anything left to teach them this year. Our goal is to have most proficient by the end of the year. (DV)
Developing areas that we will continue to work on and if they receive NY (Not Yet), they are encouraged to work hard on these concepts to improve.
*MAPS Reports came home last week
*In math there will be an assessment Thursday. Our next unit will move us into division.
