

# NOVEMBER

## newsletter

Mrs. Kemp's 2nd Grade

November 22-23, 2021

### OUR LEARNING

Happy Thanksgiving! This will be a short but busy week for us. We are still working on following directions with more than one step and maintaining self-control. We're making progress each week!

This week we won't have a spelling test, but we'll review the sounds & patterns we've learned so far this year.

In math we will continue to work with place value. Learning to use numbers will help us when we get to addition and subtraction with regrouping. Please study addition facts nightly.

### OUR LEARNING

In science we've started a unit on geology. We will learn about the physical properties of rocks and minerals.

In theology we will get ready for the season of Advent. Please continue to practice for Reconciliation each night.

### REMINDERS

- No School-  
November 24-26
- First Reconciliation will be  
Wednesday, December  
1st at 10 a.m.

*Thank you for the  
donations of wipes &  
paper towel!*
