

NOVEMBER

newsletter

Mrs. Kemp's 2nd Grade

November 8-12, 2021

OUR LEARNING

It really felt like November this week! The few snowflakes we saw caused some excitement, but the chilly temperatures at recess weren't so great.

This week we will study words with the "aw" sound in spelling, read another issue of SUPER magazine, and practice writing poems.

In math we will continue to work with place value. We will be reading, writing, and showing numbers to 1,000. Please study addition facts nightly.

OUR LEARNING

In social studies we will still be working on reading & creating maps.

In theology we will read about the gift of our conscience. Please continue to practice the Act of Contrition each night. Just a reminder that First Reconciliation is December 1st at 10 a.m.

REMINDERS

- Report cards will be ready on November 8
- Monday's Charity Day donation is food for the food pantries in Greenville & Belding
- Book Fair Week is November 15-19!
