

St. Charles Preschool Press

November 5, 2021

Issue 9

November is off to a great start! We talked a lot about what it means to be thankful as we discussed the Thanksgiving holiday. We read, **Taylor the Thankful Turkey**, **I Am Thankful**, **Thanksgiving is for Giving Thanks**, and **We're Better Together**. We also talked about Day 6 of Creation, when God made animals and people.

Next week, we will continue learning about the tradition of Thanksgiving. We will talk about Wampanoag Native Americans! This will be an interesting and exciting theme for the preschoolers.

While next week's weather looks to be mild, colder weather is coming. Please remember to send appropriate outside clothing for your child. Hats and mittens will be a must for preschoolers. It is likely to be at or near freezing temperatures when we head outside in the mornings. Snow pants and boots will be necessary soon as well. Please stay tuned to the weather forecast and plan accordingly.

I am excited to share that we are going to make a change to our preschool drop-off routine. Starting Monday, November 29th, preschool students only can be dropped off at the Benton Street doors next to our classroom. A staff member will be at the doors to greet children as they enter. Parents **must walk their child to the doors and release their child to a staff member. Parents are welcome to walk into the lobby outside of our classroom with their child. I know this will be a new routine to get used to, however, I do believe this will be a child-friendly adjustment. It will eliminate walking down stairs with slippery boots and heavy backpacks. Please reach out with any questions or**

concerns. Also, look for Book Fair information attached to the Weekly Warrior! Blessings!
