

# The Weekly Warrior

Check out the news and events happening at St. Charles School!

Dear school families,

We have been blessed with a wonderful week of school. Thank you for your support of Lowry's book fair. I know that the children had fun shopping and will enjoy reading something new. Thank you to Ashley Jackson and her work team. Thank you again to the PTO for the ice cream social and the fabulous Thanksgiving lunch on Thursday. We appreciate everyone who volunteered to help with these events. You are much appreciated.

This Sunday, we celebrate Our Lord Jesus Christ, King of the Universe. In the Gospel, the kingdom of heaven and the kingdom of earth clash. It is the day that the "king of earth" finally meets Christ the King face to face. We must all decide for ourselves to which of these kings we will pledge our allegiance. We are the children of God, made in God's image. Only in God will the deepest longings of our soul be satisfied. Give your life to Christ the King, who lives and reigns now and forever. (taken from *Living With Christ*, November 2021, p. 153)

It is always a treat to hear about our alumni. This week, we learned that Megan Hudson was one of 32,000 students from across the country to earn academic honors from the College Board's National Recognition Program. In addition, Grace Platte was one of approximately 16,000 semifinalists in the National Merit Scholarship Program. She now continues in the competition for 7,500 National Merit Scholarships. We are proud of them! If you have alumni news that you would like to share, please let us know. I know that we have much to be proud of.

Next week will surely be a quick one. I do hope that you all have a wonderful Thanksgiving break and have some special time with family and friends. Thank you for your commitment to Catholic education.

Blessings.
