

DECEMBER

newsletter

Mrs. Kemp's 2nd Grade

December 6-10, 2021

OUR LEARNING

December is here, and the excitement in our classroom is contagious! We will surely be busy in the coming days, especially this week. We will celebrate St. Nicholas' feast day on Monday with hot lunch, crafts & treats, attend Mass on Wednesday for the Holy Day and have all-school Mass on Friday, too.

In spelling we will study words with soft c and g sounds, continue reading our latest chapter books, and continue to write stories.

OUR LEARNING

In math we will use place value to add & subtract 10 and 100 to 3-digit numbers, as well as compare numbers.

In science we will learn about granite, then finish our study of geology and take a test.

REMINDERS

- ★ **Dec. 9th at 5:30** - PTO Christmas Caroling event
- ★ **Dec. 10th** - *Keep Christ in Christmas* poster contest entry forms due
- ★ **Dec. 15th** - Walking Taco hot lunch
