Mrs. Kemp's 2nd Grade

January 24-28, 2022

OUR LEARNING

Thank you for signing up for parent-teacher conferences. Look for an email from me with a link to the Google Meet. If you still need to sign up, please email me. If you can't find a time that works for you, just email or call me so we can schedule something more convenient. I look forward to meeting with you!

This week in spelling our words will have double consonants. In reading we will focus on non-fiction skills as we read SUPER magazine. In writing we will write poems.

In social studies we will wrap up learning about the different types of communities before switching back to science.

OUR LEARNING

In math we will now count amounts of money greater than \$1. Extra work at home is needed for most students to become more comfortable & accurate. IXL has some great practice sections, and I've sent your student's login info so he or she can practice at home.

Catholic Schools Week

**Catholic Schools
Week 2022**
