

The Weekly Warrior

Check out the news and events happening at St. Charles School!

Dear school families,

Next week, we celebrate Catholic Schools Week. This is time for us to celebrate the mission of our school – faith, academics, and service. We recognize the value of a Catholic education and thank you, our families, teachers, parishioners, and Father Jim for joining to help our young students reach their full potential. We couldn't do this without our outstanding faculty, staff and volunteers. And, we certainly want to celebrate our students as they are learning about their faith and the skills they need in the 21st century. Please see the schedule on the back page of this newsletter for detailed information about the week.

In our Sunday Gospel, the people of Nazareth bitterly criticized Jesus because he demonstrated great openness of heart, particularly toward people on the peripheries of society. Jesus was called to break boundaries and take God's message of salvation to unexpected people and places. Through our baptism, we are called to be prophets for the kingdom of God. Unswerving dedication, bold courage, and deep biblical hope must be our trademarks. (taken from *Living With Christ*, Jan. 2022, p. 194)

One of the highlights of Catholic Schools Week is celebrating Mass with our Diocesan Catholic schools. This year, our fifth and sixth graders will represent our school on Tuesday at the 10:00 Mass. The Mass will be live streamed for all of our students to share in the beauty of the Mass—even from far away.

If you have not yet applied for the annual Bishop's Scholarship using the Blackburn Program, now is the time. Please know that you must first apply to this site before being considered for other scholarships. Use the following link to get started: <https://smartaidforparents.com>.

Important reminders:

- Hairbows must be burgundy, white, gray, black, or uniform plaid in color and must not be elaborate in size.
- If your child is dressed in inappropriate clothing during Catholic Schools Week, we will call parents to bring in appropriate clothing.

Have a wonderful week and stay healthy. Thank you for your diligence to keep all children healthy by keeping your child home if he or she does not feel well. We know this pandemic is not over yet, and we still must be vigilant.

Blessings!
