Sixth Sunday in Ordinary Time

Blessed are they who hope in the Lord. Psalm 1:1

Weekly News

-Happy Valentine's Day-we will have a short celebration on Monday, Feb. 14, in the afternoon. Students may bring in Valentine's cards to hand out to their friends if they wish.

-We will begin our literature circle book this week. It is Sarah, Plain and Tall. This ties in beautifully our social studies focus of immigration and our country growing from the colonies to the westward expansion.

-In religion we will be completing a Theology of the Body Unit using a book study. Our story is Peppe the Lamplighter. We will compare the father in the story to God our Father, explore following our mission, and continue our discussion of Virtues.

-Fractions will be our focus in the next units of math. We are comparing fractions and finding equivalent fractions.

-The first part of the southeast region in social studies is complete. The students have completed their review/study guide and have flashcards prepared for them in Quizlet to help them study. There will be a test on Thursday.

-Our new chapter in science will pertain to food chains and food webs. Students will create their own food chains to include in their animal reports.

-No spelling test this week. The word list is vocabulary words from Sarah, Plain and Tall. We will test on these words next week, Friday, Feb. 25. Students will need to know how to spell the words and know their meanings.

-Reminder Monday, Feb. 14 is Charity Day. Students may wear jeans and bring a donation for our service project. We will be giving the funds to Habitat for Humanity. Let's help others find a warm and safe place to call home.
