

St. Charles Preschool Press

February 18, 2022

Issue 21

Opposites week was busy with lots of fun activities and idea sharing about the concept of "opposites". We even changed our room around a bit to go along with the theme. Ask your child about some of the fun ways we celebrated opposites. Drinking frozen hot chocolate, coloring a picture under the table, and trying some sugary-salty, crunchy-chewy, sweet and sour foods are just a few of the ways we celebrated "opposites". We read some good stories too, **Opposnakes, Silly Sally, Black?White! Day? Night!, and The Foot Book**. We filled the water table and experimented with items that sink and float.

Due to the short week next week, we will take time to do some reviewing. We are also going to focus on the concept of measurement. It will be another exciting unit that the preschoolers will enjoy! We will read the parable, **The Two Sons**, and continue another week with the fairytale, **The Elves and the Shoemaker**.
