Dear Families-

Thank you for making the time to meet for conferences. It was wonderful to discuss the students' growth and accomplishments. I am looking forward to a fantastic second semester with these amazing young people.

Catholic Schools Week was a success. As usual, it would not have been a Catholic Schools Week without a snow day. Thanks to all of those who went the extra mile to make it a special week for the students and staff.

Blessings,

Jessica Gilbertson

- **7<sup>th</sup> and 8<sup>th</sup> Grade Raffle:**

**The students have been working hard running the annual raffle fundraiser. All the proceeds from the raffle benefit the 8<sup>th</sup> grade trip. Thank you to all those who made prize donations. It would not be possible to make these special events happen without your continued support.**

- **Cold Weather:**

Winter is certainly here, and it does not seem to be letting up anytime soon. Please remind your child to have the appropriate attire to be outside. Thank you.

- **Valentine's Day Social:**

Our Valentine's Day social will be held on Monday, February 14<sup>th</sup>. A special breakfast will be provided for our class. We will be completing a service project in the morning during the social. The students will make 110 Valentines for the residents and staff of Mission Point in Belding. The pandemic has been especially difficult on these individuals and they need to know our love and prayers are with them. I will be delivering our Valentines to Mission

Point after school on Monday. These holiday service projects have been extremely well received by the community and have been a great team building experience for the students.

If students are going to bring in treats to share, please make sure they are prepackaged.
