

Fifth & Sixth Grade Notes

(and 7/8 Grade Math Notes, too)

March 3, 2022

Dear Families,

We are looking forward to the activities planned for March is Reading Month. Many thanks to our Interact Club for donating kite prizes to each classroom for reading!

We celebrated Mardi Gras on Tuesday with a breakfast provided by the PTO.

We have two different ancient civilization projects finishing up next week. We will be wrapping and displaying our chicken mummies next week, as well as completing an essay on a Greek god or goddess.

We will be finishing our latest class novel, *Ghost*, by Jason Reynolds, next week. Our last vocabulary words from this book are listed on the back.

We began our school-wide prayer partner tradition this week. We continue to learn about the Sacrament of Confirmation. Our class will attend Reconciliation on Wednesday, March 9.

Math 5 has been renaming mixed numbers to subtract.

Math 6 is exploring percents.

Math 7A is working with two-step expressions and equations.

Math 7B is working with solving and graphing inequalities.

Math 8 is solving systems of equations.

Algebra is factoring polynomials.

Peace,

Mrs. Sullivan
