Mrs. Kemp's 2nd Grade

March 14-18, 2022

OUR LEARNING

Thank you for all of your support of the Serve-a-thon so far! Your generosity and willingness to participate are awesome for our school. If you haven't registered your student yet there's still time. If you need any assistance, please contact the school office or email me.

This week we will begin reading another chapter book to study fiction skills, study words that begin with **w** or **wh** in spelling, and start work on our African animal research project.

The four parts of the Mass will be our focus in religion.

OUR LEARNING

In math we will continue learning strategies for breaking apart numbers to add and subtract. Math homework will be telling time.

In science we will conclude our study of wheels and axles before we move back to social studies.

READING MONTH

- ★ **March 17-** Wear green with jeans
- ★ **March 24-** Wear patterns or bright colors

Don't forget to turn in your reading log and March Book It Calendar before spring break!
